Operations Manager October 22, 2018 by Ivan. Want to write an Operations Guide? This tutorial explains how to write your first operations manual. It helps you get started, suggests how to format the document, create the table of contents and what else you need to include in a sample plan. Don't let your operations manual bore your team to death. The cardinal sin I've seen by scouring Google for useful operations manuals is that everything is dull to the point of being useless. Doing this is a one-way ticket to invite disaster once more, as your employees will be more likely to ignore your processes in favor of relying on memory.
